

knowledge management jashapara pdf

ABSTRACT: Today, knowledge is increasingly recognized as an important, strategic resource by all types of organizations and institutions, whether private or public, service oriented or production oriented. Regardless of the importance ostensibly attached to it, public sector organizations have often been less inclined to fully explore the benefits of knowledge management than the private sector.

Journal of Knowledge Management Practice, - TLAINC

International Journal of Knowledge and Learning, from Inderscience Publishers, covers knowledge-intensive approaches to learning management/processes at individual, organisational and national levels
