Employment discrimination is a form of discrimination based on race, gender, religion, national origin, physical or mental disability, age, sexual orientation, and gender identity by employers. Earnings differentials or occupational differentiation – where differences in pay come from differences in qualifications or responsibilities – should not be confused with employment discrimination.

Employment discrimination - Wikipedia

Organisation. This FAQ was originally maintained on behalf of the World Wide Web Consortium's XML Special Interest Group. It is divided into four sections: Basics, Users, Authors, and Developers. The questions are numbered independently within each section.
